Coaching at Preble has been a great honor. I would like to especially thank my dear wife, Faye, children, grandchildren and my entire family along with my Preble family of outstanding student-athletes, fellow coaches, staff and friends who are the real reasons behind this award. Their efforts through the years have been magnificent. Teaching and coaching are truly wonderful professions.

**At Preble, you run.  
Not for your life, but for honor!  
You run for tradition.  
You run because when you run at Preble,  
It has meaning!**
