## Subscribing to the calendar feed

In the **Subscribe feature**, you will be able to subscribe your preferred schedules or activities and have them pushed to your personal calendar or smart phone, together with any future schedule updates. This feature works with Outlook, Google Calendar, ICAL for Mac Users and Smart Phone (Android and iPhone), and with any RSS Readers.

How to subscribe:

1. Create a report with your Schedules, either from the View Schedules Box or the Advanced View Report.

The screenshot displays a web application interface for sports management. At the top, there is a navigation bar with tabs: CALENDAR, ROSTERS, SCORES AND STANDINGS, COACHES, REGISTRATION, and TEAM SITE. The CALENDAR tab is active.

Below the navigation bar, the main content area is divided into two sections. The left section shows the calendar feed for August 2017, with a dropdown menu for the month and buttons for 'Today', '<', '>', 'Week', and 'Month'. The feed lists events for Tuesday, August 22, 2017, and Wednesday, August 23, 2017. Each event entry includes a time slot, the event name, and the location.

The right section contains a 'COLLAPSE MENU' button, a search bar, and a calendar grid for August 2017. Below the calendar grid, there is a 'BY TYPE' section with several options: 'VIEW SCHEDULES' (highlighted with an orange box), 'GET THE MOBILE APP', 'NOTIFY ME', 'ADVANCED VIEW REPORT' (highlighted with an orange box), and 'LOGIN'.
